BEACHES,
HISTORIC
FORT AND
FAMILY FUN
ARE A FERRY
RIDE AWAY!**

*Plus... dolphins,
pelicans, osprey,
miles of protected
national seashore
beaches & more.*

msshipisland.com

BEST BEACHES IN MISSISSIPPI

Stay on the calmer northern side to search for shells and build sandcastles or head to the south side to play in the surf. If history peaks your interest, visit Fort Massachusetts, circa 1858. Or, simply admire the pristine nature and breathe in the fresh island air.

Stop by the snack bar for a beverage, burger, or other island treat. If you forgot any beach essentials, we're sure to have those too! Chairs and umbrellas are available for rent and provide the perfect spot for reading and relaxation. Changing rooms and showers prepare you for an enjoyable boat ride home.
